ACKNOWLEDGEMENTS

All praise and glory to the Lord God Almighty, now, and forever! My profound gratitude is extended to my supervisors, John-Bell Okoye, and Daniel Mule, who have been my pillars throughout this academic journey. Your enduring patience and understanding have been invaluable, and I remain eternally grateful. My sincere appreciation also goes to the Dean of the School of Communication, Prof. Levi Obonyo, and the Head of Department, Dr. Robert Aswani, and the faculty by extension, for their unwavering support throughout my academic journey and their expedited assistance in various matters. Lastly, I extend heartfelt thanks to my family, whose prayers, steadfast support, and constant encouragement have been my anchor. May God's blessings be upon you all.
