Media and Film Studies (MFS) Department

ICO 032A & T: Introduction to Graphic Design & Desktop Publishing
Final Project, January 2024 Trimester

Facilitator's name: N.T. Othello Gruduah
Number of students: 62 (A-20&T-42)

Total Marks: 40

Instructions

The final project will be done in groups of four to five students each. The following will be the format: As the focus of this course is on magazine page layout, each group will be expected to design a prototype magazine (size: A-4) of eight pages, including the cover pages. The groups must draw up a working plan and assign each member a role. The project must be presented in the following stages:

1. Present a layout/dummy of your magazine by March 20, 2024.
2. Complete and submit stone copy of layout by April 10, 2024.
3. Submit final copy of magazine on the day of exam for this class as stipulated in the University exam timetable.

Marking Guide
